

# Avarice

Action Adventure Puzzle

PC

E10+ (Explore/Achieve)

**Avarice** is an action adventure puzzle game where the player controls a treasure hunter on the search for fortune. They battle the treasure's previous owners, investigate a Victorian era graveyard, and solve the puzzles within.

## Selling Points

- Use the treasure you find to distract your enemies, giving you an opportunity to strike
- Experience the look and feel of an old Victorian era graveyard
- Mechanical simplicity, easy to pick up and play
- Attack combos, use multiple strikes, jump and attack to ground slam, or dodge roll and attack to lunge strike your enemies

Many riches went into the tombs of those who were buried during Victorian times, it's time to retrieve them! After hearing some bad and good rumors about a local graveyard, you decide to head out to seek your fortune. However, you end up finding something else as well, the living dead! Fight the dead, traverse their crypts, collect their treasure, and make a name for yourself!

## Gameplay Mechanics

- Shovel Bash (Main Attack)
- Jump
- Dodge/Roll
- Push/Pull Objects
- Throw Treasure
  - Distracts enemies
- Canteen (Player healing)
  - Limit uses
