

Avarice

Action Adventure Puzzle

PC

E10+ (Explore/Achieve)

Avarice is an action adventure puzzle game where the player controls a fledgling treasure hunter on the search for fortune and fame. They must explore a Victorian era cemetery, defend themselves against the deceased, and relieve them of their precious worldly possessions all while solving the various puzzles of the cemetery.

Selling Points

- Experience the look and feel of an old Victorian era Cemetery
- Use the treasure you find to distract your enemies
- Easy to pick up and play
- Attack combo system

Story

The treasure hunter has heard a few rumors about artifacts previously thought lost to time in an old Victorian era cemetery. Seeing this as a golden opportunity for wealth and renown, they descend upon the cemetery looking to unlock its secrets and return with all the treasure they can carry. However, they soon find that not everything is not so simple as the deceased have risen to defend their past possessions!

Gameplay Mechanics

- Shovel Bash (Main Attack)
- Jump
- Dodge/Roll
- Push/Pull Objects
- Throw Treasure
- Canteen (Player healing)

The Character

- Fledgling Treasure Hunter
- Hungry for adventure
- Wants nothing more to be rich and famous
- Very cocky and casual
